

SuperGloss Wrap Coloured Vehicle Wrap

Torian® SuperGloss™ is the next generation of premium vehicle wrap film, engineered with Swiss precision to deliver exceptional performance, stunning colour depth, paint-like high-gloss finish and effortless application. Designed for professional vehicle wrappers and discerning car enthusiasts, Torian® SuperGloss™ offers a rich palette of high-gloss finishes—each formulated to meet the highest industry standards for long-term durability and visual impact. Manufactured using advanced technology, Torian® SuperGloss™ combines ultra-conformability with excellent dimensional stability, allowing for seamless wrapping of complex curves, recesses, and contours. Its repositionable adhesive system ensures bubble-free installation and clean removability, making it ideal for full and partial wraps, detailing, and restyling projects.
